Dear Smile Train Supporter,

Smile Train would like to extend a big thank you to all those involved in this special fundraising effort. We were delighted to receive a total of £80 thanks to all your hard work.

With your help we will provide more cleft surgeries this year than we ever thought possible. The surgery you are helping us provide is really a modern day miracle. In as little as 45 minutes, for as little as £150, this surgery gives a desperate child not just a new smile but a second chance at life.

I have included a before and after picture of one of the lucky children who is smiling because of supporters like you. I know it will put a smile on your face too!

All the best,

Priscilla Ma
